In order to participate in the Pathfinder Kids school year program, **you must be registered to attend a minimum of two days per week.**

Please fill out one form per child. A two week notice must be given, in writing, if any adjustments need to be made with your child's registration. Tuition will be billed according to the signed registration form.

The current tuition rates as noted on the front of this form are for the 2022-23 school year. Tuition fees reflect an academic school year from September through June. This is a 10-month program and we require a commitment to the whole school year. Payments are due on the 10th of each month beginning September 10, 2022 to May 10, 2023. A late fee of \$25 will be added if payments are not received by the 15th. Payments not received by the 20th will result in suspended care. Discounts will not be given for absences of any kind, including sickness or vacation.

Please submit the \$50 non-refundable registration fee per child to secure your child's spot. A deposit for the last 2 weeks of care is due by August 25, 2022 or before your child begins care. If a waitlist should become necessary, a \$10 processing fee will be collected with a completed registration form to hold a spot.

****By signing the registration form, you are hereby agreeing to all of the program policies, procedures, and financial obligations of tuition and fees.****
